

Electrical Characteristics		
Maximum Discharge Current <i>I</i> _{max} (8/20)	kA	40.0000
Mechanical Characteristics		
Connection to Network		Through soldering pins
Weight		0.065 kg
Part number		
8712204		

V: High-energy varistor
Ft: Thermal fuse
C: Remote signal contact
t°: Thermal disconnection system
MI: Disconnection indicator
